# Statistical Dossier on Immigration in Italy 2022

**Professor Karim Hannachi,**
**Research and Study Centre on Immigration (IDOS), Italy**

The Statistical Dossier on Immigration is an annual report drawn up by many researchers through the collection of well-founded data, the processing of statistics and the analysis of almost all aspects relating to the presence of immigrants in Italy: distribution on the national territory; living conditions; integration; work; school; religion; racism and discrimination. Professor Hannachi will address these and other issues on and about migrants in Italy, specifically in Sicily

**October 27, 2022 - 1:00 to 2:00 PM**
